The Steinman Foundation & Lancaster County STEM Alliance believe that the diversity of the Lancaster County community is a fundamental strength. Only through intentional integration of diversity, equity, and inclusion as values and practices can philanthropic and cultural endeavors ensure substantive change in our community. It is the policy of the Lancaster County STEM Alliance to support organizations, projects and programs that do not discriminate on the basis of race, color, religion, national origin, sex, gender identity, sexual orientation, age, disability or any other legally protected characteristics. The Lancaster County STEM Alliance does not knowingly award grants to organizations that discriminate in their hiring, those they accept as volunteers or the individuals they serve.
